## Summary

I am a Front-end Web Developer and HealthCare Intern ,Competent at helping Clients/Businesses Create Goal achieving and elegant Web and Digital Experiences ,Over 1 Year in this Industry I prioritize good communication & time management ,application of expertise together with User and Client satisfaction to achieve the goal .

My Experiences ,Volunteering, Certifications, Achievements ,Honors and Skills are quite a handful and are detailed outside this summary section.

I also apply my skills in Development (HTML5,CSS and JavaScript) , Design (Visual Design, color theory, typography ,layout and navigation), User Experience (UX Design, UX writing, copywriting, Web accessibility ,website performance Optimization) , Branding , Digital marketing (Social , Email and SEO marketing), Writing(Content Writing) and Blogging for the purpose .

I ensure I engage with the community and recent trends and update my skills and experience with modern state of the art tools .

I am passionate about HealthCare (Preventive Medicine especially) and I help Healthcare Companies create and review Health content.

I take arts as an enjoyable engagement, so I engage in Creative writing and Poetry. I Rap and write songs . I write on the Nigerian Music Industry for publication.
